

GEM will be at EAGE's 75th CONFERENCE & Exhibition

EAGE

EUROPEAN
ASSOCIATION OF
GEOSCIENTISTS &
ENGINEERS

GEM Systems Inc. will be exhibiting at [EAGE's](#) 75th Annual Conference & Exhibition in London, England. Come visit booth #100 June 10th – 13th at the ExCel Centre in to learn about the advanced technologies GEM has to offer.

At stand #100, you will meet knowledgeable staff members offering information on magnetometers, gradiometers, and magnetic sensors for Earth Science, Geophysics, and other applications. We will be offering information for all of your geophysics needs, including GEM's advanced quantum [GSM-19G](#) Overhauser Gradiometer and [GSMP-35](#) Potassium Magnetometer/Gradiometer/Airborne systems.

GEM will also be giving away a NEW Samsung Galaxy Tab 2! Drop by stand #100, talk to our friendly booth staff, and drop off your business card to win! Winners will be drawn on Thursday, June 13th at 14:00 at Stand #100. Winners do not need to be present for the drawing, and will be contacted via email that day.

If you would like more information on exhibitions that GEM will be attending, or have questions/comments about any of our products, please send an email to shannon.kadoski@gemsys.ca

See you in London!

Our World is **Magnetic.**
